Automatic to manual swap. So I recently traded with some guy, a rolling 350z shell for an older car of mine. I spent nothing on it and it has everything except the engine and trans. It used to be an automatic but since there's not engine or trans I'm planning on converting it to a manual. These parts alone are gonna cost less than any 350 ...

If the Option exists to ADD the unit on the harness page for your swap, then you need it for proper speedo operation. Please note that some transmissions (350z, BMW ZF and S15 Silvia for example) do not have a speed sensor and will require a non-harness based solution like a GPS speedo.

Nissan 350Z LS3 Swap Wiring Harness | Drive by Wire ...

In order to swap your automatic transmission for a manual (or vice versa if that's your objective), you'll need to disconnect the current coupling material and install the new one. There will also be entirely new pedal assemblies that are required, and, of course, the shifter and connecting components.
