An anticipation guide is a comprehension strategy that is used before reading to activate students' prior knowledge and build curiosity about a new topic. Before reading, students listen to or read several statements about key concepts presented in the text; they're often structured as a series of statements with which the students can choose to agree or disagree.

## To Kill A Mockingbird Anticipation Guide Answers

To Kill a Mockingbird is a Pulitzer Prize-winning novel by Harper Lee published in 1960. It was instantly successful and has become a classic of modern American literature. The plot and characters are loosely based on the author's observations of her family and neighbors, as well as on an event that occurred near her hometown in 1936, when she was 10 years old.
