Dave Hollis used to
think that
“personal growth”

Bookmark File PDF

was just for broken people. Then he woke up. When Dave Hollis's wife, Rachel, began writing her #1 New York Times bestselling book, *Girl, Wash Your Face*, he bristled at her transparency and her willingness to talk about such intimate details of

Bookmark File PDF

their life. But when a looming career funk, a growing drinking problem, and a challenging trek through therapy battered the Disney executive and father of four, Dave began to realize he was letting untruths about himself dictate his

Bookmark File PDF

life. As he sank to the bottom of his valley, he had to make a choice.

Would he push himself out of his comfort zone to become the best man he was capable of being, or would he play it safe and settle for mediocrity? In *Get Out of Your Own*

Bookmark File PDF

Way, Dave tackles topics he once found it difficult to be honest about, things like his struggles with alcohol, problems in his marriage, and his insecurities about being a dad. Dave helps us see our own journeys more clearly as he unpacks the lies he

Bookmark File PDF

once
believed—such as
“I Have to Have It
All Together,”
“Failure Means
You’re Weak,” and
“If They Doesn’t
Need Me, Will They
Still Want
Me?”—and reveals
the tools that
helped him change
his life. Offering
encouragement,

Bookmark File PDF

challenge, and a hundred moments to laugh at himself, Dave points the way for those of us who are, like he was, skeptical of self-help but wanting something more than status quo, and helps us drop bogus ideas about who we are supposed to be and

Bookmark File PDF

finally start living
as who we really
are.

Architecture and
Modern
Literature explores
the representation
and interpretation
of architectural
space in modern
literature from the
early nineteenth
century to the

Bookmark File PDF

present, with the aim of showing how literary production and architectural construction are related as cultural forms in the historical context of modernity. In addressing this subject, it also examines the larger questions of

Bookmark File PDF

the relation
between literature
and architecture
and the extent to
which these two
arts define one
another in the
social and
philosophical
contexts of
modernity.

Architecture and
Modern Literature
will serve as a

Bookmark File PDF

foundational
introduction to the
emerging
interdisciplinary
study of
architecture and
literature. David
Spurr addresses a
broad range of
material, including
literary, critical,
and philosophical
works in English,
French, and

Bookmark File PDF

German, and
proposes a new
historical and
theoretical
overview of this
area, in which
modern forms of
"meaning" in
architecture and
literature are
related to the
discourses of
being, dwelling,
and homelessness.
