Computers and Minds | Philosophy Tube What is Data Journalism? Artificial Unintelligence How Computers Misunderstand

A guide to understanding the inner workings and outer limits of technology and why we should never assume that computers always get it right. In Artificial Unintelligence, Meredith Broussard argues that our collective enthusiasm for applying computer technology to every aspect of life has resulted in a tremendous amount of poorly designed systems. We are so eager to do everything digitally:hiring, driving, paying bills, even choosing romantic partners:that we have stopped demanding that ...
