Baby car seats are absolutely essential for safely transporting your infant in a vehicle. In fact, it is a legal matter in many places. However, there are literally tons of car seats to choose from, and it can be a daunting task for new parents. Choosing a baby car seat that was made by an unreliable brand can have disastrous results. In the same token, choosing a car seat that was produced by a reputable brand can definitely save your baby's life in the unfortunate event of a car crash. With all of that being said, you should definitely educate yourself before buying a car seat. This ebook is the perfect tool for educating yourself in that matter, whether you are a first time parent or have just had your seventh child.

Revised and updated in 2020 The creator of Twiniversity delivers an essential update to her must-have manual to having twins, now with expanded info on twin pregnancy and tandem breastfeeding, and advice on the best gear to help save your sanity. With almost two times as many sets of twins today as there were forty years ago, What to Do When You're Having Two has quickly become the definitive resource for expectant and new parents of multiples. A mom of fraternal twins and a world-renowned expert on parenting multiples, author Natalie Diaz launched Twiniversity, the world's leading global resource for twin parenting information and support online. Now, with her expanded edition of What to Do, she includes new information on breastfeeding, gear, sleep, and having two when you already have one, as well as:

- creating your twin birth plan,
- maintaining a realistic sleep schedule,
- managing tandem

breastfeeding, • stocking up on what you'll need (and knowing what high-tech products are now available and what's a waste of money), and • building a special bond with each of your twins. Accessible, informative, and humorous, *What to Do When You're Having Two* is the must-have manual for every parent of twins.

Really Big Kid is a collection of poems about love, pain, identity, mental health, self-love, self-growth, and the questions that cannot be answered.

A latest edition of a best-selling reference features a new design and expanded information on the preschooler years, in a guide that covers topics ranging from infant care and food allergies to sleeping habits and autism. Original.

You survived the twin pregnancy and have brought the twins home. Now the real adventure begins. This guide will walk you through the challenging and exciting aspects of raising twins. You can thrive as a father of twins even during the crazy early years with twins. In this book, you'll learn how to: * Keep balance in your personal life with twins * Juggle work and family life * Feed your twins and get them on a schedule * Get your twins to sleep through the night * Keep your twins healthy and deal with inevitable sick kids * Encourage individuality in your twins * Teach your twins to be self-sufficient * Keep your other kid(s) happy along the way * Escape diapers and potty train your twins * Travel with twins * Create and capture memories with your twins Joe's first book for fathers of twins, the "Dad's Guide to Twins," got you ready for your twins' arrival. This companion book continues the journey and helps you from the moment you get the twins home. It guides you through what to expect and how to handle those precious twins through the first couple of years. If you are expecting twins, have newborns, or are struggling through that first year (or more) with twins, this book is for you. You'll find tips and tricks to tackle each stage of your twins' development plus ideas to improve what you're already doing.

A combination travelogue and guidebook that tells the humorous tale of the authors' vacation in Costa Rica while also giving valuable travel tips.
