We specialize in publishing classic books and have been publishing books since 2014. We now have over 500 book listings available for purchase. Enjoy!

Nicholas Allen has plenty of ideas. Who can forget the time he turned the classroom into a tropical island, or the times he has fooled the teacher by chirping like a blackbird? But now it looks like his days as a troublemaker are over. Now Nick is in Mrs Granger's class - she who has X-ray vision - and everyone knows that nobody gets away with anything in her classroom. To make matters worse, Mrs Granger is also fanatical about the dictionary - which Nick thinks is so boring. But then inspiration strikes and Nicholas invents his greatest plan yet: to create a new word. From now on, a pen is no longer a pen - it's a frindle. It doesn't take long to catch on and soon the excitement has spread well beyond the school and town . . . but frindle doesn't belong to Nick anymore, it has a life of it's own, and all Nick can do now, is sit back and watch what happens.

The Baby Party (+Biography and Bibliography) (6X9po Glossy Cover Finish): When John Andros felt old he found solace in the thought of life continuing through his child. The dark trumpets of oblivion were less loud at the patter of his child's feet or at the sound of his child's voice babbling mad non sequiturs to him over the telephone. The latter incident occurred every afternoon at three when his wife called the office from the country, and he came to look forward to it as one of the vivid minutes of his day. He was not physically old, but his life had been a series of struggles up a series of rugged hills, and here at thirty-eight having won his battles against ill-health and poverty he cherished less than the usual number of illusions. Even his feeling about his little girl was qualified. She had interrupted his rather intense love-affair with his wife, and she was the reason for their living in a suburban town, where they paid for country air with endless servant troubles and the weary merry-go-round of the commuting train. It was little Ede as a definite piece of youth that chiefly interested him. He liked to take her on his lap and examine minutely her fragrant, downy scalp and her eyes with their irises of morning blue. Having paid this homage John was content that the nurse should take her away. After ten minutes the very vitality of the child irritated him; he was inclined to lose his temper when things were broken, and one Sunday afternoon when she had disrupted a bridge game by permanently hiding up the ace of spades, he had made a scene that had reduced his wife to tears

## Read Book Great Gatsby Test Questions And Answers

The Rich Boy is a short story by American writer F. Scott Fitzgerald. It was included in his 1926 collection All the Sad Young Men. The Fitzgerald scholar Matthew Bruccoli describes the story as "an extension of The Great Gatsby, enlarging the examination of the effects of wealth on character.

"Crazy Sunday" is a short story by F. Scott Fitzgerald originally published in the October 1932 issue of "American Mercury".

A collection of "commercial short stories F. Scott Fitzgerald published before he began to work on what would become his great American novel, The Great Gatsby."--Back cover.

“ When a girl leaves home at eighteen, she does one of two things. Either she falls into saving hands and becomes better, or she rapidly assumes the cosmopolitan standard of virtue and becomes worse. ” With Sister Carrie, first published in 1900, Theodore Dreiser transformed the conventional “ fallen woman ” story into a genuinely innovative and powerful work of fiction. As he hurled his impressionable midwestern heroine into the throbbing, amoral world of the big city, he revealed, with brilliant insight, the deep and driving forces of American culture: the restless idealism, glamorous materialism, and basic spiritual innocence. Sister Carrie brought American literature into the twentieth century. This volume, which reprints the text Dreiser approved for publication during his lifetime and includes a special appendix discussing his earlier, unedited manuscript, is the original standard edition of one of the great masterpieces of literary realism.

A level 5 Oxford Bookworms Library graded reader. This version includes an audio book: listen to the story as you read. Retold for Learners of English by Clare West. Gatsby's mansion on Long Island blazes with light, and the beautiful, the wealthy, and the famous drive out from New York to drink Gatsby's champagne and to party all night long. But Jay Gatsby, the owner of all this wealth, wants only one thing - to find again the woman of his dreams, the woman he has held in his heart and his memory for five long years. The Great Gatsby, F. Scott Fitzgerald's masterpiece, is one of the great American novels of the twentieth century. It captures perfectly the Jazz Age of the 1920s, and goes deep into the hollow heart of the American Dream.

Golding ' s iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

After the Great War, Nick Carraway finds himself living among the idle rich. As he surveys their reckless lives and relationships, he is

repeatedly drawn to one man who still believes in the American Dream: Jay Gatsby. As Nick and Gatsby are carried along by forces that neither of them fully control or understand, they get a thorough education on the consequences of materialism, deceit, and petty self-interest. Setting: New England, 1920s
