The serial number will also be listed in your owner's manual. Look at the second letter in your serial number. This will let you know the year it was made. For example, J would indicate that it was made in 1999 and K would indicate that the mixer was made in 2000. As the letters go up, so do the years. If you need more specific information as to what week the mixer was made that year, the ...
