After winning a basketball reporting contest, eighth graders Stevie and Susan Carol are sent to cover the Final Four tournament, where they discover that a talented player is being blackmailed into throwing the final game.

A coming-of-age memoir of addiction, ambition and redemption in the high-stakes world of Michelin star kitchens. From reckless drug addict to one of Australia's top chefs and television stars: MasterChef judge Jock Zonfrillo's powerful life story will shock and inspire. Jock's life spiralled out of control when he tried heroin for the first time as a teenager while growing up in 1980s Glasgow. For years he balanced a career as a rising star amongst legendary chefs with a crippling drug addiction that took him down many dark paths. Fired from his job at a Michelin star restaurant in Chester, England, after a foul-mouthed rant, Jock made his way to London looking for work and found himself in front of the legendary Marco Pierre White. He credits White for saving his life, but Jock continued to struggle with addiction in a world of excess, celebrity, and cut-throat ambition. On New Year's Eve 1999, Jock shot up his last shot of heroin before boarding a plane to Sydney, where he would find passion and new meaning in life in the most unexpected places. There would be more struggles ahead, including two failed marriages, the closure of his prized restaurant during COVID-19, his time on-country, and some very public battles. This is his unforgettable story. Praise for Last Shot "Last Shot is Trainspotting meets Kitchen Confidential. Jock's ability to not sugarcoat the truth and his brutal honesty about his struggle with his inner demons will resonate with so many people. That coupled with his absolute passion for food, his commitment to highlighting the culture and food of Australia's First Nations People and his pure love for his family makes this a truly stunning book. I loved it." Actress, Rebecca Gibney "Oh my goodness what a book. I've just finished it, devoured it in under four hours. I laughed and cried and marvelled at him." News Corp's National Entertainment Writer, Lisa Woolford

The beloved author of Ms. Bixby's Last Day and Posted returns with a humorous and heartwarming story of family, friendship, and miniature golf. For as long as he can remember, Malcolm has never felt like he was good enough. Not for his parents, who have always seemed at odds with each other, with Malcolm caught in between. And especially not for his dad, whose competitive drive and love for sports Malcolm has never shared. That is, until Malcolm discovers miniature golf, the one sport he actually enjoys. Maybe it's the way in which every hole is a puzzle to be solved. Or the whimsy of the windmills and waterfalls that decorate the course. Or maybe it's the slushies at the snack bar. But whatever the reason, something about mini golf just clicks for Malcolm. And best of all, it's a sport his dad can't possibly obsess over. Or so Malcolm thinks. Soon he is signed up for lessons and entered in tournaments. And yet, even as he becomes a better golfer and finds unexpected friends at the local course, he wonders if he might not always be a disappointment. But as the final match of the year draws closer, the tension between Malcolm's parents reaches a breaking point, and it's up to him to put the puzzle of his family back together again.

Dreaming of a college scholarship and escape from the neighborhood, the talented Abraham Lincoln High School Railsplitters see basketball as their only hope, but the reality of SATS, the NCAA, and college recruitment are tough to overcome.

Assigned to track down a dishonored recon Marine who escaped from an island penitentiary after causing the death of a murderous fellow inmate, Deputy U.S. Marshal Tim Rackley investigates the underworld of a large pharmaceutical company and finds himself questioning the circumstances under which his target was convicted. Reprint.

One Last Shot gives Jordan fans the inside scoop they're looking for on basketball's greatest legend, with exclusive interviews from NBA executives, players, and coaches. Mitchell Krugel uses his fifteen years of following Michael Jordan's every move to explain why the man who left the game as The Greatest Player of All Time would risk his unparalleled legend to play again. After delivering the Chicago Bulls their sixth championship in 1998 by pulling off what became known as the greatest money shot in the history of the NBA, Michael believed he still had much of that Greatest-Player-Of-All-Time left in his game. But he felt that retirement was forced on him in 1999, and he left the game craving more doses of fifty-point binges, winner-take-all confrontations, and repeated nights of reminding fans they just saw the greatest player ever. One Last Shot not only explains why Michael Jordan came back to the court but also looks at his transition from Wizards executive to player, his struggle to join a team that had grown up with his posters on their walls, and his glories and setbacks in a Wizards season chock full of both struggles and surprises. Krugel also details the star-laden workouts Michael designed in the summer of 2001 to get his game back into shape. This look at Michael Jordan, circa 2001-2002, shows how much basketball had changed since his last coming and how much it hadn't, and how his drive pushed him to the verge of a crippling knee injury all in the pursuit of winning. And for six weeks he did make it back. He made the shots. He made good on his mission to teach the Wizards how to be winners, to teach talented teammate Richard Hamilton to be a shooting star, and to whip Kwame Brown, the high school kid he made the first-ever first pick in the NBA draft, into a man. And he did the things that only a man of legend could do. Krugel analyzes both the man and the legend to trace how the First Coming led to a Second and to a Third, and he chronicles the season that defines Michael Jordan as a man who will forever be playing for one last shot.

A powerhouse novel about an idealistic young man's return to a rural Southern town simmering with prejudice and anger. Separation papers in hand, Beau Jim Early sets out one hot, dry August morning in 1960 from Fort Jackson, South Carolina, for his brother's farm in Cocke County, Georgia. After six years in the army, civilian life is not as easy as it looks. In short order, Beau Jim gets conned by a shoe-shine boy, buys a Studebaker with bad brakes, and spends nearly every cent of the \$400 he won in a crap game the night before. But Beau Jim is a man who can roll with the punches, and the drive into his hometown is as exhilarating as he thought it would be. His brother's farm, however, is a different story. Older by fifteen years, Dan Early has given up his apartment and gone into debt to buy a barren piece of land that his wife, Charlene, calls a "wore out patch of misery." Sheila, their seven-year-old daughter, is unnaturally slow and shy and has been held back in school—a source of great shame. As Beau Jim hustles pool with Claire, a former high school classmate whose secret life is not as safe as he believes it to be, and makes time with Yancey, a voluptuous redhead finally looking to settle down, Dan's frustration and pity for himself mount. When Charlene sparks his rage, he commits an act so shocking and horrific it brings the whole county to its knees. A spellbinding tale of decent people fighting for their lives in a world overrun with poverty and ignorance, *The Trapper's Last Shot* is vintage John Yount—forceful, finely crafted, and absolutely unforgettable.

In this follow-up to *Rocket Blues*, Rocket is drafted in the OHL tryouts and heads off to training camp in his pursuit of one day becoming a hockey legend! Now almost 16 years old, Rocket has been drafted by an OHL team in the 13th round. His mom however has different plans for his future and thinks he should go for a US college scholarship instead. But Rocket is sure that junior hockey is his best route to the NHL. After convincing his mom to let him try out, Rocket heads off to training camp, where he soon discovers that most of the other players seem more interested in goals and getting drafted to the NHL, and all the money and perks that come with it, than the team. The competition is high, and the stress higher. Rocket will have to fight for his life to make the team, and decide whether or not his hockey dream is worth it.

Describes the activities of the raider Shenandoah, which targeted New England whaling fleets in its efforts to compromise Union economic strength and attempted an escape to England, an effort that affected international law.
