Last Train to Istanbul is less romantic, but it shows both the power of family and what a committed group of people can actually do. The story uses flashbacks splendidly, showing a complex family dynamic that adds to the whole story. I do have one slight nitpick and a content warning, however.

From the international bestselling author of Last Train to Istanbul comes a novel based on true events that explores the depths of pride, devotion, and persistence as four generations of a family struggle to forge their destinies. As Hitler's reign of terror begins to loom large over Germany, Gerhard and Elsa Schliemann--like other German Jews--must flee with their children in search of sanctuary. But life elsewhere in Europe offers few opportunities for medical professor Gerhard and his fellow scientists. Then they discover an unexpected haven in Turkey, where universities and hospitals welcome them as valuable assets. But despite embracing their adopted land, personal and political troubles persist. Military coups bring unrest and uncertainty to the country, intermarriage challenges the cultural identity of Gerhard and Elsa's descendants, and anti-Semitism once again threatens their future in the place they call home. From World War II to the age of social media, one family's generations find their way through love and loss, sacrifice and salvation, tragedy and triumph--with knowledge hard won and passion heartfelt.

The bestselling author of Last Train to Istanbul returns with a tale of love defying all boundaries. Sabahat, a beautiful young Muslim woman, is known in her family for her intelligence, drive, and stubbornness. She believes there is more in store for her life than a good marriage and convinces her parents to let her pursue her education, rare for young Turkish women in the 1920s. But no one--least of all Sabahat herself--expects that in the course of her studies she will fall for a handsome Armenian student named Aram. After precious moments alone together, their love begins to blossom. Try as she might to simplify her life and move on, Sabahat has no choice but to follow her heart's desire. But Aram is Christian, and neither family approves. With only hope to guide their way, they defy age-old traditions, cross into dangerous territory, and risk everything to find their way back to each other. One of Turkey's most beloved authors brings us an evocative story of two star-crossed lovers inspired by her own family's history.

Birds Without Wings traces the fortunes of one small community in southwest Turkey (Anatolia) in the early part of the last century—a quirky community in which Christian and Muslim lives and traditions have co-existed peacefully over the centuries and where friendship, even love, has transcended religious differences. But with the disintegration of the Ottoman Empire and the onset of the Great War, the sweep of history has a cataclysmic effect on this peaceful place: The great love of Philothei, a Christian girl of legendary beauty, and Ibrahim, a Muslim shepherd who courts her from near infancy, culminates in tragedy and madness; Two inseparable childhood friends who grow up playing in the hills above the town suddenly find themselves on opposite sides of the bloody struggle; and Rustem Bey, a wealthy landlord, who has an enchanting mistress who is not what she seems. Far away from these small lives, a man of destiny who will come to be known as Mustafa Kemal Atatürk is emerging to create a country from the ruins of an empire. Victory at Gallipoli fails to save the Ottomans from ultimate defeat and, as a new conflict arises, Muslims and Christians struggle to survive, let alone understand, their part in the great tragedy that will reshape the whole region forever.

From the internationally bestselling author of Serenade for Nadia, a powerful story of love and faith amidst the atrocities committed by ISIS against the Yazidi people. Disquiet transports the reader to the contemporary Middle East through the stories of Meleknaz, a Yazidi Syrian refugee, and Hussein, a young man from the Turkish city of Mardin near the Syrian border. Passionate about helping others, Hussein begins visiting a refugee camp to tend to the thousands of poor and sick streaming into Turkey, fleeing ISIS. There, he falls in love with Meleknaz—whom his disapproving family will call “the devil” who seduced him—and their relationship sets further tragedy in motion. A nuanced meditation on the nature of being human and an empathetic, probing look at the past and present of these Mesopotamian lands, Disquiet gives voice to the peoples, faiths, histories, and stories that have swept through this region over centuries.

When Max is sent to Istanbul to stay with her boring Great Aunt-Elodie, little does she expect to be plunged into a thrilling nighttime adventure across Europe. Max must find her feet in a whirling world of would-be diamond smugglers, thieves and undercover detectives. Will she discover the real diamond thief before they reach their destination?

“Timely . . . brilliant . . . hugely enjoyable, magnificently researched and deeply absorbing.”—Jason Goodwin, New York Times Book Review At midnight, December 31, 1925, citizens of the newly proclaimed Turkish Republic celebrated the New Year. For the first time ever, they had agreed to use a nationally unified calendar and clock. Yet in Istanbul—an ancient crossroads and Turkey's largest city—people were looking toward an uncertain future. Never purely Turkish, Istanbul was home to generations of Greeks, Armenians, and Jews, as well as Muslims. It welcomed White Russian nobles ousted by the Russian Revolution, Bolshevik assassins on the trail of the exiled Leon Trotsky, German professors, British diplomats, and American entrepreneurs—a multicultural panoply of performers and poets, do-gooders and ne'er-do-wells. During the Second World War, thousands of Jews fleeing occupied Europe found passage through Istanbul, some with the help of the future Pope John XXIII. At the Pera Palace, Istanbul's most luxurious hotel, so many spies mingled in the lobby that the manager posted a sign asking them to relinquish their seats to paying guests. In beguiling prose and rich character portraits, Charles King brings to life a remarkable era when a storied city stumbled into the modern world and reshaped the meaning of cosmopolitanism.
