Spinning-off of her beloved Morgan Ranch series, New York Times bestselling author Kate Pearce launches a new contemporary Western romance series about a neighboring ranching family trying to lasso love . . . It might be the pride of hard work on rugged terrain, the welcoming community, or the memories—but wherever the folks of Morgantown may roam, they have a way of coming back to the ranch . . . There's a reason Jackson Lymond left the Air Force, but he's not telling a soul. He'd rather keep things simple, while trying to start a

new life helping his older brother on their northern California ranch. At least Morgantown's flirty local bartender can keep his mind off the past—that is, until he runs into Daisy Miller . . . Daisy doesn't really expect Jackson to remember her. Back in school she did her best to blend in—and pretend she didn't have five brothers who'd hogtie any boy who even looked at her. These days though, she and Jackson might have more in common than just their ranching relatives. After all, they both left home only to return. Trouble is, under the watch of her fiercely protective family, Daisy is longing for some privacy. Letting Jackson into her life could make that even more difficult—or it might be the second chance they're both looking for . . . “Pearce's fans and contemporary romance readers will want to pick this one up and read it to the end.” —Publishers Weekly

In this sweet and sexy spin-off of New York Times bestselling author Kate Pearce's beloved Morgan Ranch series, the close-knit folks of Morgantown, California, have long memories—and big hearts to go with them. Everyone in rancher Danny Miller's life wants to know how he feels about his teenage flame returning to Morgan Valley. Danny wishes he knew. After the disastrous ending of their relationship, and Faith's choice to leave town all those years ago, Danny's rebuilt his life without her. But he's about to have a very practical reason for needing her in it again—despite the very impractical desire she inspires once he lays eyes on her . . . Faith McDonald hadn't planned on returning home, but with her dad retiring, her help is needed at the family veterinary practice. She's hoping that by now, folks have forgotten what happened

between her and Danny—even if the two of them never can. With a mystery infection decimating the Miller cattle, she and Danny soon find themselves on the same side for the first time in forever. There was a lot of trouble in their past, but the good parts never really flamed out, including their intense attraction. And their shared determination to cure the cattle might just lead them to a healing of their own—and a whole new all-grown-up future . . . Praise for *The Rebellious Rancher* “Sensual. . . . This sexy tale is sure to please cowboy fans.” —Publishers Weekly

Supernatural Branch of Law Enforcement empath Ella Walsh sucks memories from people's heads. The job fills her mind with others' nightmares and leaves her with little time for love, but if she doesn't pair off with a mate of the government's choosing soon, the psychic blowback will

destroy her powers and her sanity. The last time shapeshifting SBLE superstar Vadim Morosov worked with an empath, he got her killed and himself assigned to a desk. He worries about taking on another partner, but helping Ella track down an empath killer might be his only chance to save his career. Naturally, the government decides to throw them together. They resist at first, but they can't deny the simmering heat between them. As the killer's strikes grow closer to home, their bond gets tighter. And when the murderer finally traps Ella, her developing link with Vadim might be the only thing that can save her. 86,000 words

Rachel Ford Morgan is eager to prove herself to her father and four brothers who run Morgan Ranch. She gets the chance when she discovers fault lines around an abandoned silver mine at the edge of their property. But the troublesome mine is nothing compared to the cowboy who seems determined to shake up her world. Cauy Lymond doesn't take kindly to the woman nosing around his land—especially since she's a member of the neighboring Morgan clan. Cauy is determined to keep his father's failing ranch out of their super-wealthy hands. But he soon realizes that he needs Rachel's skill—and admirable courage—to shore up the old mine that threatens both their futures. As they pour all of their blood, sweat, and secrets into saving the land, their true feelings for each other begin to surface. This eBook contains bonus content on book research!

This Christmas, one California cowboy finds that love, like the perfect gift, can be even more wonderful when it's unexpected... Called out to rescue a stranded driver on a snowy night, rancher Ted Baker is surprised to find his old high-school friend, Veronica Hernandez, at the wheel—with her pet pig, Bacon, riding shotgun. Ten years after leaving Morgantown, Veronica is as warm, lively, and lovely as ever. If she and Bacon need a place to stay over the holidays, Ted's got a spare room that needs filling and, maybe, a heart that could use the same... Veronica has landed herself in a jam—and what better place to lie low than her sleepy hometown? But spending time with Ted is making her wonder why she ever left...and whether it's too late to turn this Christmas pit stop into a new beginning...

struggles to deal with his resentment. When he's invited to develop a trail riding experience on the Morgans' dude ranch, Ben jumps at the chance. Soon he's assigned a mysterious client, an actress whose family secretly wants her removed from influences in LA. Ben's determined to teach her to fend for herself. But he quickly discovers she's more than a pampered pretty face . . . Silver Meadow believes she's preparing for a serious dramatic role—one that will free her from her controlling parents. She's certainly not going to be controlled by Ben, especially when he takes her out in the middle of nowhere to learn how to survive. Yet gradually, far from her cell phone, Silver begins to open up to him about her life—and finds they have more in common than they thought. Soon a romance blossoms—but can a jet-setting movie star and a homebody cowboy find the best of

Back on his family's cattle ranch, a marine finds a beautiful veterinarian to calm his nerves in this romance by the USA Today bestselling author. Blue Morgan never thought he'd crave long days on horseback, working the cattle ranch where he grew up with his brothers. But after a decade of getting shouted and shot at in the Marines, fresh air and hard work are just what he needs to settle his restless energy. The place is just like he remembered it—only with the addition of a pretty, prickly new veterinarian who keeps invading his thoughts. There's no denying the spark between Jenna McDonald and Blue. But with her job at risk and her own family's expectations to wrangle, Jenna
