Autobiography of Vinod Mehta, born 1941, Indian editor and journalist.

The Life and Times of India's Greatest Tragedienne Vinod Mehta's riveting account of Meena Kumari's life begins with her death, weeks after the release of her swan-song Pakeezah. He goes back in time to Meetawala Chawl in Dadar East, where she was born, and to the flats and mansions she lived in, the studios where she worked, the hospital where she died and the cemetery she was cremated in. Having never met the star, Mehta talks to all those who were close to her - her much-maligned husband Kamal Amrohi, her sisters, her in-laws, her colleagues and co-stars - to create a complex portrait of a woman who carefully cultivated the image of someone 'unfairly exploited and betrayed by her lovers and lady luck'. It was a picture that blended with her on-screen persona. The media had, after all, already anointed her Hindi cinema's 'great tragedienne'. First published in 1972, this revised edition comes with a fresh introduction by the author and introduces a legend of Indian cinema to a new readership.

A veteran journalist and former member of Parliament, Kuldip Nayar is India's most well known and widely syndicated journalist. He was born in Sialkot in 1923 and educated at Lahore University before migrating to Delhi with his family at the time of Partition. He began his career in the Urdu newspaper Anjam and after a spell in the USA worked as information officer of Lal Bahadur Shastri and Govind Ballabh Pant. He eventually became Resident Editor of the Statesman and managing editor of the Indian news agency UNI. He corresponded for the Times for twenty-five years and later served as Indian high commissioner to the UK during the V.P. Singh government. His stand for press freedom during the Emergency, when he was detained; his commitment to better relations between India and Pakistan, and his role as a human rights activist have won him respect and affection in both countries. Author of more than a dozen books, his weekly columns are read across South Asia.

Delhi OMG! is the story of one man's struggle for survival in the colorful, yet tough Indian city of Delhi. Summary Of The Book Delhi OMG! is the story of a man named Dinesh. It is set in the big, bad city of Delhi, traversing some of the key places in the city and exposing its shocking underbelly. Dinesh is a middle class man who goes from living in government flats in Netaji Nagar to a posh, luxurious DLF residence. As Dinesh goes about his life in Delhi, he encounters various characters from all walks of life. His journey also takes him to several hot-spots of the city, acquainting him with a different side of Delhi, a shocking side often hidden under the cloak of superficiality. At once humorous and hard-hitting, the story presents the vibrant as well as the dark side of life in Delhi. The book explores themes like bribery, obsession with foreign women, sex trafficking, and the well-known fixation of Delhiites on the concept of self-image. Common perceptions about the city of Delhi are once again brought to the fore, and perhaps even strengthened by the narrative. Delhi OMG! was first published in 2012 by Om Books International. It received positive reviews. About Vinod Nair Vinod Nair is an Indian management professional and author. [Ajith's book] is the first full account I have seen between hard covers which is exclusively about a journalist's adventures and journeys in the field... An extraordinary first 'rough draft of history', a portrait of India from the 80s to the present time. Vinod Mehta's Ajith Pillai's account of his journalistic odyssey covers the period of India's Great Transformation from the 1980s to the present. He does so with incisive wit and insight into a breathtaking range of issues. This ought to be a handbook for all aspiring journalists, since Pillai is an enemy of sycophantic corporate ideology and craven submissiveness to wealth and power which characterize most of today's celebritywriters. Jeremy Seabrook, British author and columnist In a journalist's career, the best stories can seldom be published? Veteran journalist Ajith Pillai's colourful career spanning nearly three decades has taken him from the murky underworld of Bombay to the icy heights of Kargil; yet, the reports he has written are only half the story. Now, for the first time, the 'off-the-record' experiences that never found their way to print are presented in this witty and engaging memoir. Beginning with a call from a furious Chota Shakeel, Dawood Ibrahim's right-hand man, asking him to retract a story on 'Bhai' or face the consequence, Ajith takes the reader on a journey that sees him guide V.S. Naipaul to meet the 'boys' from the underworld; follow the sensuous Silk Smitha around Bombay on a New Year's eve; witness the first shots of Operation Vijay during the Kargil War; track, along with a colleague, a Brigadier accused of high treason across the country; stumble upon embarrassed Congressmen in Kamathipura, Bombay's red-light district; discover who was actually pulling the strings during Vajpayee's tenure as PM; and coordinate the coverage of the multimillion dollar Scorpene submarine scam and the sensational Radia tapes. Written with Ajith's trademark wry humour, these real stories, often more entertaining than fiction, are a testament to a journalist's life, as well as a comment on the changing nature of the effervescent Indian media.

The nationwide lockdown in 2020 to curb the spread of Covid-19 left millions of migrant labourers without jobs, food and shelter. Desperate and helpless, most took to the road, embarking on the long, often fatal, journey home. Ritesh, Ashish, Ram Babu, Sonu, Krishna, Sandeep and Mukesh-migrants from Bihar-undertook a similar journey on their bicycles that lasted for seven days and seven nights. Their harrowing trip from Ghaziabad, Uttar Pradesh, to their hometown of Saharsa as they braved police lathis and insults, and battled hunger, exhaustion and fear, was documented by National Award-winning filmmaker Vinod Kapri. 1232 km is a story of the extraordinary courage of seven men in the face of tremendous odds.

Harish Salve failed his CA exam twice. Mukul Rohatgi was unable to secure a place at the Law Faculty, Delhi University. Rohinton Nariman was trained to become a Parsi priest. Legal Eagles examines the lives and times of India's top seven lawyers, who fought some of the country's landmark courtroom battles. Tracing their journey from their childhood days to the present, the book highlights the important milestones of their careers, their victories and failures, their influences, and their work ethic and role models, demonstrating that the path to success is paved with determination, grit and challenges. Journalist Indu Bhan gives a ringside view of the most significant case handled by each of these lawyers, including the Vodafone tax case, Coalgate and the 2G spectrum controversy, among others.

He is ten years old and confined to a wheelchair. But that's not his identity. To the world, he is India's youngest patent holder for inventing variants of chess for six, twelve and sixty players. Have you heard of the Army Major who was declared dead in the Kargil war, but is India's first blade runner today? Do you think a woman without hands can be one of India's leading painters? What is the first thought that comes
