A selection of songs from Einaudi's 2007 album, specially transcribed for solo Piano. The composer writes, In this folio you will find most of the music from the Divenire album. There are a number of pieces in this book, particularly those that are accompanied by orchestra or feature electronic sounds, that I have altered in order to achieve a better solo piano transcription. I have also replaced the piece Svanire, for cello and strings, with Luce, a solo piano piece that is available on iTunes as a bonus track.

(Piano). A large collection of arranged and original piano pieces by one of Italy's great film and pop composers.

For the first time, all of Einaudi's best known music in a single collection, for solo Piano. Also included are two brand new tracks, The Earth Prelude and High Heels, as well as two remixed versions of Lady Labyrinth and Eros.

Italian-born Ludovico Einaudi's Piano music has struck a chord with audiences across the world, and his distinctive meditative style has confirmed his place in the music industry. His albums have soared high in the classical charts and his recitals have been sell-outs. This is Ludovico Einaudi's new project, Nightbook - a musical meditation on the transition between light and darkness, the known and the unknown. Expressive and with a more open compositional structure, sonic colours are created through the close blending of the Piano with the Strings and percussion and from the use of electronics which amplifies the sound of the Piano, projecting it like a shadow in all directions. The project grew out of the ideas and "musical sketches" that Einaudi jotted down in a notebook whilst on tour around the world. Einaudi describes the project as A garden faintly visible under the dull glow of the night sky. A few stars dotting the darkness above, shadows of the trees all around. Light shining from a window behind me. What I can see is familiar, but it seems alien at the same time. It's like a dream - anything may happen. Selections of expressive and contemplative songs from the album have all been specially transcribed for solo Piano.

This Einaudi Solo Piano folio features the very best of Ludovico Einaudi for solo piano accompanied by a special foreword from the composer. Ludovico Einaudi's beautifully evocative music lends itself so perfectly to use in films that for many years directors have been using it to complement their images. 17 of the best examples of his music for film over the past two decades are included here in this Film Music collection, arranged for solo Piano. Perhaps the most well-suited of all Einaudi's film collaborations have been with directors Olivier Nakache and Eric Toledano on their hugely successful films 'Intouchables' and 'Samba'. From these two films come nine of Einaudi's most wonderful works, including Time Lapse and Una Mattina. Film Music further includes selections from 'Comes A Bright Day' (Berlin Song), 'Insidious' (the astonishing Nuvole Bianche) and his compositions Shane Meadows' 'This Is England' and Russell Crowe's 'The Water Diviner'. Alongside the beautiful transcriptions is a fascinating introduction to each film, letting you find out about how the song was used as well as learning how to play it. This luxurious collection of cinematic sheet music is perfect for fans of Ludovico Einaudi as well as film lovers who appreciate the power of a marriage of music and image – A masterclass in film composition. In 1840, a group of music-loving Liverpool businessmen came together and formed the Royal Liverpool Philharmonic society, which gave a total of four concerts in its first year. Though the scope and reach of the Liverpool Phil—now the second-oldest concert promoting society with the oldest continuing professional orchestra in all of the United Kingdom—has changed in the many years since its founding, its original vision has remained constant. With the aid of 100 illustrations, The Original Liverpool Sound tells the amazing story of an organization still dedicated to its founding mission, “to promote the science and practice of music,” as it brings to life one of Liverpool’s cultural crown jewels.
