About Magic as a Political Crime in Medieval and Early Modern England. Treason and magic were first linked together during the reign of Edward II. Theories of occult conspiracy then regularly led to major political scandals, such as the trial of Eleanor Cobham Duchess of Gloucester in 1441.

Magic as a Political Crime in Medieval and Early Modern ...

Review. 'The study of magic in medieval and early modern England has been dominated by its having been located within the study of witchcraft, to the detriment of its study outside the history of witchcraft accusations. Legal histories of treason have similarly marginalised the role of magic. This has led to the virtual ignoring of the relationship between elite magic s significant role in political crime and in accusations of treason against its practitioners.
