años. Hasta ahora los manuales que tratan la historia dominicana han adolecido de excelencia motivado por múltiples razones: Unos son muy densos y de lectura pesada, lo que los hace poco didácticos, mientras otros, además de mal redactados, son deshilachados en su contenido y mal diagramados en la forma.

# Frank Moya Pons

"Frank Moya Pons is the best-known contemporary Dominican historian. The author of many

# Where To Download

books and articles, he is a recognized scholar both at home and abroad.

Moya Pons latest book is based on his well-known Manual de historia dominicana (1992), now in its tenth edition and considered a basic text in Dominican historiography. But his new book is more than a simple translation of the old classic; it is a revised

# Where To Download

and expanded edition, with new sections, detailed historical maps, and a comprehensive bibliographic essay. The book follows two parallel historical tracks. On the one hand, it is divided into thematic chapters that examine the distinct political periods in the country's history, such as the Spanish, French, Haitian, and U.S.

# Where To Download

occupations and the several periods of self-rule. On the other hand, it pursues a socioeconomic history by establishing links, when pertinent, between socioeconomic conditions and political developments. Another notable feature of the book is that it examines contemporary events up to 1990. This remains the

# Where To Download

standard Dominican history textbook, in both English and Spanish. The general reader will find in this book an agreeable, clearly written history of the Dominican Republic, while the experienced scholar will find an indispensable reference."

-HAHR (Hispanic-American Historical Review)

# Where To Download Manual De

Historia

Using Dominicans in  
New York City as a case  
study, Ramona

Hernández challenges  
the old belief that  
workers necessarily  
migrate from one region  
to another because of  
supply and demand or  
because of a de facto  
government policy to  
make people leave or

# Where To Download

stay. As a result, she shows that the traditional correlation between migration and economic progress does not always hold true.

In a landmark study of history, power, and identity in the Caribbean,

*Page 39/46*

# Where To Download

Pedro L. San Miguel examines the historiography of Hispaniola, the West Indian island shared by Haiti and the Dominican Republic. He argues that the national identities of (and often the tense relations between) citizens of these two nations are the result of imaginary contrasts between the two nations

# Where To Download

drawn by historians, intellectuals, and writers. Covering five centuries and key intellectual figures from each country, San Miguel bridges literature, history, and ethnography to locate the origins of racial, ethnic, and national identity on the island. He finds that Haiti was often portrayed by Dominicans as "the

# Where To Download

other--first as a utopian slave society, then as a barbaric state and enemy to the Dominican Republic. Although most of the Dominican population is mulatto and black, Dominican citizens tended to emphasize their Spanish (white) roots, essentially silencing the political voice of the Dominican majority, San Miguel

# Where To Download

argues. This pioneering work in Caribbean and Latin American historiography, originally published in Puerto Rico in 1997, is now available in English for the first time.

This study is a reflection on the complexity of racial thinking and racial discourse in Dominican society.

# Where To Download Manual De

Historia  
Dominicana  
Frank Moya  
Pons

What would the island of Hispaniola look like if viewed as a loosely connected system? That is the question Haitian-Dominican

Counterpoint seeks to answer as it surveys the insular space shared by Haiti and the Dominican Republic throughout their parallel histories. For beneath the familiar

# Where To Download

tale of hostilities, the systemic perspective reveals a lesser-known, "unitarian" narrative of interdependencies and reciprocal influences shaping each country's identity. In view of the sociocultural and economic linkages connecting the two countries, their relations would have to resemble not so much a cockfight

# Where To Download

(the conventional metaphor) as a serial and polyrhythmic counterpoint.
