The BLET Program can be attended in two ways: 1) A student can be sponsored by any law enforcement agency in the State of North Carolina. It is the student's responsibility to meet with local departments and do their requirements. The student is still responsible for the required paperwork to the BLET Academy.

The seventh edition updates the sixth edition with new offenses, legislative changes, and case law. New features of this edition include full case citations and case names replacing shortened case citations; a table of cases; and many new additional notes, such as those regarding charging issues, multiple convictions and punishments, defenses, and exceptions. Also, an improved book design will make this edition easier to use and ensure that readers quickly find what they need. The seventh edition replaces the sixth edition, 2007, and all previous editions and supplements. POLICE ETHICS, 2nd Edition picks up where traditional police training leaves off by illustrating the importance of and techniques for employing ethics in law enforcement. Ethical clarity is especially critical for the police professional perhaps uniquely so because the ethical point of view determines the way police competence is understood. In addition to the Law Enforcement Code of Ethics, the book promotes an ethic to live by for officers and other professionals, and applies various schools of ethical thought to practical examples in policing. The authors avoid dictating rules and labeling behaviors as inherently good or bad, instead providing the tools necessary for making intelligent, impartial decisions from a positive perspective. Expanded to include philosophical background, practical applications, and more examples of ethics in action, POLICE ETHICS, 2nd Edition is an ideal resource for students and professionals alike. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The office of notary public has a long and proud history in our society. Their work is rarely glamorous, but it is so important that the highest courts in the nation routinely accept properly notarized documents as evidence in legal matters. In fact, the law governing notaries gives them the same mission as sworn law enforcement officers, "to serve and protect."

Does the identification number 60 indicate a toxic substance or a flammable solid, in the molten state at an elevated temperature? Does the identification number 1035 indicate ethane or butane? What is the difference between natural gas transmission pipelines and natural gas distribution pipelines? If you came upon an overturned truck on the highway that was leaking, would you be able to identify if it was hazardous and know what steps to take? Questions like these and more are answered in the Emergency Response Guidebook. Learn how to identify symbols for and vehicles carrying toxic, flammable, explosive, radioactive, or otherwise harmful substances and how to respond once an incident involving those substances has been identified. Always be prepared in situations that are unfamiliar and dangerous and know how to rectify them. Keeping this guide around at all times will ensure that, if you were to come upon a transportation situation involving hazardous substances or dangerous goods, you will be able to help keep others and yourself out of danger. With color-coded pages for quick and easy reference, this is the official manual used by first responders in the United States and Canada for transportation incidents involving dangerous goods or hazardous materials.

It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: personality inventory; judgment in police situations; legal knowledge; reading comprehension; arithmetical reasoning; and more.

In the corridors of the Vatican on the eve of World War II, American Catholic priest Joseph Patrick Hurley found himself in the midst of secret diplomatic dealings and intense debate. Hurleys deeply felt American patriotism and fixed ideas about confronting Nazism directly led to a mighty clash with Pope Pius XII. It was 1939, the earliest days of Pius's papacy, and controversy within the Vatican over policy toward Nazi Germany was already heated. This groundbreaking book is both a biography of Joseph Hurley, the first American to achieve the rank of nuncio, or Vatican ambassador, and an insiders view of the alleged silence of the pope on the Holocaust and Nazism. Drawing on Hurleys unpublished archives, the book documents critical debates in Pius's Vatican, secret U.S.-Vatican dealings, the influence of Detroit's flamboyant anti-Semitic priest Charles E. Coughlin, and the controversial case of Croatia's Cardinal Stepinac. The book also sheds light on the powerful connections between religion and politics in the twentieth century.

Mathematical Reasoning: Writing and Proof is a text for the first college mathematics course that introduces students to the processes of constructing and writing proofs and focuses on the formal development of mathematics. The primary goals of the text are to help students: Develop logical thinking skills and to develop the ability to think more abstractly in a proof oriented setting; develop the ability to construct and write mathematical proofs using standard methods of mathematical proof including direct proofs, proof by contradiction, mathematical induction, case analysis, and counterexamples; develop the ability to read and understand written mathematical proofs; develop talents for creative thinking and problem solving; improve their quality of communication in mathematics. This includes improving writing techniques, reading comprehension, and oral communication in mathematics; better understand the nature of mathematics and its language. Another important goal of this text is to provide students with material that will be needed for their further study of mathematics. Important features of the book include: Emphasis on writing in mathematics; instruction in the process of constructing proofs; emphasis on active learning. There are no changes in content between Version 2.0 and previous versions of the book. The only change is that the appendix with answers and hints for selected exercises now contains solutions and hints for more exercises.
