Demonstrates how healthy eating can be both fun and appetizing, while sharing engaging facts about seeds and providing an additional section on how to help nut-sensitive friends stay safe.

Get moving and have some fun with this invigorating picture book romp from bestselling author Lauren Thompson. Bestselling Little Quack author Lauren Thompson and acclaimed illustrator Jarrett Krosoczka have teamed up to show just how much fun moving around can be. Wiggling, wagging, stomping, and clomping—there are so many different ways to do it! Go ahead—try them all. Each page has a big, bold toddler face, minimal rhyming text, and a corresponding label for the body part that's moving, making this bright, rhythmic book perfect for the youngest movers and shakers.

A rhyming introduction to counting uses the history, rules, and fun facts about soccer, the world's most popular game, to help youngsters learn to count. Simultaneous.

"Dad says we are going to grow vegetable soup." So begins Lois Ehlert's bright, bold picture book about vegetable gardening for the very young. The necessary tools are pictured and labeled, as are the seeds (green bean, pea, corn, zucchini squash, and carrot). Then the real gardening happens . . . planting, weeding, harvesting, washing, chopping, and cooking! In the end? "It was the best soup ever." Ehlert's simple, colorful cut-paper-style illustrations are child-friendly, as is the big black type. A recipe for vegetable soup tops it all off!

Describes a young hummingbird's search for food as he learns what is good to eat, and includes information on attracting hummingbirds by using a hummingbird feeder.
