Beatrice Ojakangas, an authority on convection cooking and author of more than two dozen previous cookbooks, explains how to use your convection oven to achieve perfect results in dramatically less time than with a conventional oven. If you own a convection oven, but don ' t really know how to use it, this book is for you. Cooking with Convection supplies more than 150 great recipes for snacks and appetizers; pizza and foccacia; soups; roast beef, lamb, pork and poultry; savory pies and tarts; casseroles and pasta; vegetables; yeast breads and quick breads; cakes, cookies, pies, and pastries; and much, much more. Try Melted Onion Tart with Parmigiano-Reggiano, Mexican Vegetable Tortilla Soup, Tandoori Salmon with Cucumber Sauce, Asian Spiced Roast Whole Chicken, and Cocoa Cake with Easy Buttercream Frosting, among so many imaginative and easy dishes. You will learn: "How to cook a whole meal in your oven—from meat to side dishes to dessert—all at the same time "How to cook multiple batches of cookies, cakes, and pies on three or even four oven shelves "How to roast and bake in a third less time than in a conventional oven while achieving even better results "How to calculate the correct temperature and timing for convection cooking if you are using a standard recipe By circulating hot air around food, convection ovens cook and brown food much more quickly and at a lower temperature than conventional ovens, while retaining food ' s natural juiciness and flavor. With this book you will be able to save significant amounts of time and effort while turning out delicious dishes for everyday meals and easy entertaining.

The Manual of Digital Museum Planning is a comprehensive guide to digital planning, development, and operations for museum professionals and students of museums studies and arts administration. In the tradition of Lord Cultural Resource ' s renowned manuals, this book gives practical advice on how digital can enhance and improve all aspects of the museum. With chapters written by experienced professionals working at leading institutions such as the British Museum, the Metropolitan Museum of Art, the Indianapolis Museum of Art, Bristol Culture, the Canadian Museum for Human Rights, and others, The Manual of Digital Museum Planning is an easy-to-understand, step-by-step guide for anyone planning a new museum, a museum expansion, or a new project in the Digital Age. Part 1 explains how digital technologies are transforming museums and their value proposition Part 2 explores how adopting a user-centric, omnichannel approach creates new relationships between museums and communities Part 3 offers a guide to integrating digital into the workflow of museums- from data analytics, to user experience design to project management Part 4 identifies the business models, infrastructure and skills and competencies for the digital museum, Each chapter culminates in ' summary takeaways ' for easy recall, and key words are defined throughout. A glossary and reference list are also included as an accessible resources for readers.

The lentil was one of the first foods ever to have been cultivated. This book presents the most comprehensive and up-to-date review of research on lentil production, biotic and abiotic stress management, quality seed production, storage techniques and lentil growing around the world. This book will be of great value to legume breeders, scientists, nutritionists, academic researchers, graduate students, farmers, traders and consumers in the developed and the developing world.

Where do you turn when all the bridges you have built in life have gone up in flames? When the ones you love don't protect you from the monsters lurking in the dark? I never thought at twenty-eight-years-old I would have nothing to show for my life. A child given away for strangers to raise. A childhood ruined. A life full of dead ends, drug abuse, and one night stands. I'm at a crossroads, and I have a choice to make. I choose salvation. I choose life. I choose myself, for the first time ever. I will find her. I will find the life I was forced to give up. I just pray that he stays out of my way. I am Starburst Bloom and this is my story.
