Viewpoint is an innovative course that's based on extensive research into the Cambridge English Corpus, taking students to a higher level of proficiency to become effective communicators. Viewpoint Level 1 Student's Book is for young adult and adult students who have reached an upper-intermediate level of English proficiency (B2). Each of the 12 units in this level teaches the language, skills, and strategies that students need to progress beyond intermediate level and to speak and write in English naturally, effectively, and appropriately. From the same author team as the ground-breaking Touchstone series, Viewpoint 1 also draws on the Cambridge International Corpus which underpins a highly effective approach to teaching English language.

Touchstone Student's Book 1 is the first level of the innovative Touchstone series and is designed for beginning students. Student's Book 1B contains units 7-12, the second half of the complete Level 1 Student's Book. Drawing on research into the Cambridge International Corpus, a large database of language that includes everyday conversations and texts from newspapers and books, Student's Book 1 presents the vocabulary, grammar, and functions students encounter most often in real life. It also develops the strategies that students need for effective conversations, such as how to start and end a conversation and how to ask questions that are not too direct. The book features an attractive, contemporary design, and beautiful color photos and illustrations. It makes learning fun by maximizing the time students spend on interactive, personalized activities on high-interest topics. Students using Touchstone will soon feel confident in their abilities to express themselves clearly and effectively. A free Self-Study Audio CD/CD-ROM at the back of the book gives students further practice in listening, speaking, and vocabulary.
