"The most successful novelist on Planet Earth" (Washington Post), #1 New York Times bestselling author Nora Roberts concludes her Cordina's Royal Family quartet with the story of a noble and commoner discovering that despite their societal roles, their love has no forbidden boundaries in Cordina's Crown Jewel. Princess Camilla de Cordina's life is governed by others. Her appearance is sculpted and behavior is modified so she can be paraded before a gaping media audience only interested in gossip and scandal. Taking a well-deserved "vacation", she trades her crown for a felt hat and her de Cordina title for the name Camilla MacGee. With no regal entourage in tow, she takes a job in America working for archeologist Delaney Caine in Vermont. Focused and driven with his own goals, Del doesn't treat his staff with pleasantries, much less offer deference to a currently uncrowned princess. Nonetheless, Camilla finds her newfound persona and detailed work rewarding. And when she uncovers a loving heart beneath Del's hardened exterior, an unexpected mutual desire arises between them—a desire that could very well be extinguished should Camilla reveal her true identity.

"You can't bottle wish fulfillment, but Nora Roberts certainly knows how to put it on the page."—The New York Times At twenty-five, Princess Adrienne lives a life most people would envy. Beautiful and elegant, she spends her days dabbling in charities and her nights floating from one glamorous gala to the next. But her pampered-rich-girl pose is a ruse, a carefully calculated effort to hide a dangerous truth. For ten years Adrienne has lived for revenge. As a child, she could only watch the cruelty hidden behind the facade of her parents' fairy-tale marriage. Now she has the perfect plan to make her famous father pay. She will take possession of the one thing he values above all others—The Sun and the Moon, a fabled necklace beyond price. Yet just as she is poised to take her vengeance, she meets a man who seems to

divine her every secret. Clever, charming, and enigmatic, Philip Chamberlain has his own private reasons for getting close to Princess Adrienne. And only when it's too late will she see the hidden danger . . . as she finds herself up against two formidable men—one with the knowledge to take her freedom, the other with the power to take her life. Praise for Sweet Revenge "Move over, Sidney Sheldon: the world has a new master of romantic suspense, and her name is Nora Roberts."—Rex Reed "Her stories have fueled the dreams of twenty-five million readers."—Entertainment Weekly

A novel of peril and passion from #1 New York Times bestselling author Nora Roberts. The last thing NYPD Sergeant James "Slade" Sladerman needs is to babysit a spoiled heiress. But Jessica Winslow's antiques shop is suspected of being used by an international smuggling ring, and Slade is being sent undercover to investigate—and keep Jessica out of trouble. The woman Slade meets isn't what he expected. And neither is the desire that springs up between them... A Matter of Choice previously appeared in From the Heart.

"Known for her ability to deliver a rich and satisfying story" (Publishers Weekly), #1 New York Times bestselling author Nora Roberts brings to life the story of Cordina's Prince Bennett... A dashing playboy, Prince Bennett can't resist the challenge of an unattainable woman. Quiet, mysterious Lady Hannah Rothchild has a careful resolve, one that Bennett is determined to break through. Love had always been a game to Bennett, but with elusive Lady Hannah he suddenly finds his heart on the line, and discovers that he's ready to play for keeps.

"A consistently entertaining writer" (USA Today), #1 New York Times bestselling author Nora Roberts presents the first novel in the Cordina's Royal Family series. Princess Gabriella has escaped her kidnappers, but lost her memory in the bargain. With her abductors still at large, Gabriella needs a protector fast, and brash American Reeve MacGee is the perfect candidate for the job. The handsome ex-police officer is a man who can handle absolutely anything—except falling in love with the stunning, vulnerable woman in his care.

"Reading Hideaway is like a mini vacation, as Roberts transports you from the sun-drenched mountains of Big Sur to the rolling hills of Ireland to the bustling streets of New York City." - Associated Press A family ranch in Big Sur country and a legacy of Hollywood royalty set the stage for Nora Roberts' emotional new suspense novel, Hideaway. Caitlyn Sullivan had come from a long line of Hollywood royalty, stretching back to her Irish immigrant great-grandfather. At nine, she was already a star—yet still an innocent child who loved to play hide and seek with her cousins at the family home in Big Sur. It was during one of those games that she disappeared. Some may have considered her a pampered princess, but Cate was in fact a smart, scrappy fighter, and she managed to escape her abductors. Dillon Cooper was shocked to find the bloodied, exhausted girl huddled in his house—but when the teenager and his family heard her story they provided refuge, reuniting her with her loved ones. Cate's ordeal, though, was far from over. First came the discovery of a shocking betrayal that would send someone she'd trusted to prison. Then there were years spent away in western Ireland, peaceful and protected but with restlessness growing in her soul. Finally, she would return to Los Angeles, gathering the courage to act again and get past the trauma that had derailed her life. What she didn't yet know was that two seeds had been planted that long-ago night—one of a great love, and one of a terrible vengeance...

If nobody's playing by the rules, play dirty in this explosive New York Times bestseller by Sandra Brown, author of Smoke Screen.

New and improved edition for 2019. The Big Book Of NLP contains more than 350 patterns & strategies written in an easy, step-by-step format. The methods include a full array of the fundamentals that every practitioner needs, such as the Swish pattern and The Phobia Cure, as well as advanced and unique patterns, such as The Nested Loops method and Learning Strategies. Many of these techniques were never published before and cannot be found elsewhere. Perhaps more important, and unlike most other NLP books and programs, the patterns are written with great care and testing to ensure that they are clear and can be followed immediately. If there was one really useful book on NLP... ..it would be full of NLP patterns! Everyone who learns Neuro Linguistic Programming knows the power of the patterns and strategies that employ the skills and knowledge of NLP. Whether you have just been introduced to the basics, or you have mastered advanced material and patterns, this work provides you with more than 350 patterns in a concise reference format, with step-by-step instructions. We have selected each pattern for its value and relevance. If you know the pattern, you can refresh your memory; if you want to learn it, you can do so without wading through any "fluff" such as ridiculously long explanations of NLP terms, or "magical stories" of healing and success. I chose to make this book clean of theories and fiction stories, and packed it with the most practical guidelines and advice.

Tired of playing the romantic field, rapacious playboy Worth Lansing turns to his long-time best friend, the widowed Cyn McCall, for love and companionship, and their passion blazes hotly on the sands of romantic Acapulco over the course of a getaway weekend.
