The origins of Chinese ideographs were not known until 1899, when a scholar went to an apothecary for some medicine made of "dragon bone." To his surprise, the bone, which had not yet been ground into powder, contained a number of carved inscriptions. Thus began the exploration of the 3000-year-old sources of the written characters still used in China today. In this unparalleled and deeply researched book, Cecilia Lindqvist tells the story of these characters and shows how their shapes and concepts have permeated all of Chinese thought, architecture, art, and culture.

It has been said that for the Chinese "a house is a living symbol," one endowed with meaning and the result of conscious action. China's Living Houses is the first book in any language to explore comprehensively the extraordinarily complex links among folk beliefs and household ornamentation across

Where To Download Symbols Of China

time, space, and social class. Well-written and copiously illustrated, it reveals dwellings as dynamic entities that express the vitality of Chinese families as each journeys through life.

Almost every early culture once had a system of symbols that was eventually replaced with a spoken and then written language. In Chinese culture, the evolution of symbols and their meanings took a slightly different and unique path. Rather than the visual symbols being replaced by the written language, in China, the symbols themselves evolved into the written language. In *SYMBOLS AND REBUSES IN CHINESE ART*, author Fang Jing Pei catalogs the hundreds of symbols in Chinese artistry, and describes each of their meanings. (A rebus is a pictorial representation of a word or syllable.) He explains, for instance, why a depiction of a bat can mean happiness, and why some beautiful images, such as sparrows and pears, are rarely seen. Using myths, folklore, history, and religion to explore the significance of each symbol, Fang presents a comprehensive understanding of the important role symbolism has played, and continues to play, in Chinese culture. An A-to-
