Teacher Professional Development Illinois Cpdus
In order to renew Illinois' standard Professional Educator License (PEL), the educator must have attained a minimum of 120 professional development hours. The Illinois State Board of Education maintains a list of approved providers of professional development, and it is required that these providers equate one clock hour of attendance with one professional development hour.

Free Professional Development for Teachers in Illinois
COVID-19 school building closure jeopardized thousands of teacher licensure renewals. SPRINGFIELD - The Illinois Education Association (IEA) announced in a video on Facebook today that teachers and paraprofessionals can earn Professional Development clock hours for time spent transitioning from in-person learning to remote learning. Thousands of educators from across the state will now be able to use those clock hours to meet state licensure requirements.

Teachers Will get credit for remote learning transition ...
Continuing Professional Development Units (CPDU) CPDU- Continuing Professional Development Unit: a measurement used in continuing professional development to award credit for participation in a broad range of activities, including action research, staff development programs, curriculum design, mentoring, supervision of a student teacher, workshops and seminars, etc. CPDUs generated by workshops, seminars and conferences are earned at the rate of one for each hour of participation.

Continuing Professional Development Units (CPDU)
