How can Brand Singapore renew itself once again, amidst a global pandemic? Reputation is precious, more than ever, in the face of deep global displacements exacerbated by Covid-19. Top talent and hot money typically gravitate only to the most attractive, respected nations. For a nation as small and as young as Singapore, its brand is its most valuable asset, as seen in its stunning ascent from Third World to First World in just 30 years since 1965, spearheaded by targeted country branding that builds on unique, longstanding brand attributes. This fully revised and updated edition of Brand Singapore analyses the challenges and opportunities of its latest repositioning for a post-Covid-19 world. The book also examines major events of the last four years since the Second Edition, including the “Passion Made Possible” country brand concept, the 2020 General Election, the reserved Presidency and the Singapore Bicentennial’s revised perspectives on 700 years of ancient history. “A must-read for all policy-makers and business leaders. The secret of Singapore’s success is precisely uncovered by Koh Buck Song.” – Yasu Ota, Nikkei Asian Review, Japan

In The Demon Awakens, bestselling author R. A. Salvatore creates an astonishing new world for readers to explore--and an intrepid hero to lead the way: Elbryan Wynden, who must confront the dark tides of destiny in his epic search for justice and peace . . . A great evil has awakened in the land of Corona, a terrible demon determined to spread death and misery. His goblin armies and fearsome giants ravage the settlements of the frontier, and in the small village of Dundallis their merciless attack leaves behind two shattered orphans: Pony and her lifelong friend, the youth Elbryan. Taken in by elves, Elbryan is raised to become a formidable ranger--a fateful role that will lead him into harrowing confrontation. Meanwhile, on a far-off island, a shower of gemstones will fall onto the black sand shores. These heaven-sent stones carry within them an incredible power--the key to all that is good in the world and all that is evil, and it is up to one young monk to liberate them from the corrupt monastery that harvests them. Pray that they don't fall into the wrong, clawed hands . . .
