The memoir was written by Heda Margolius Kov\u00e1ly and translated with Franci and Helen Epstein. It is now available in a Holmes & Meier, New York 1997 edition, in a Plunkett Lake Press 2010 eBook edition and in a Granta, London 2012 edition. Prague Farewell was the book title in the UK in previous editions. The memoir was originally written in Czech and ...

Under a Cruel Star - Wikipedia

\"Under A Cruel Star is the most remarkable book for a variety of reasons: because Kov\u00e1ly has such a keen street sense for individual motivations; because her writing is so precise and beautiful: and, most of all, because she conveys such a ferocious and visceral sense that an individual life is just as important - and just as powerful - as governments, militaries, and political might.\"

Under a Cruel Star: A Life in Prague, 1941-1968: Heda ...

Under a Cruel Star is a compelling and honestly scary memoir, mostly surrounding the fallout from WWII in Czechoslovakia and the subsequent takeover of the Communist Party. When I refer to this memoir as scary, I mean it in the sense that the events that are discussed are horrifying. At times, this memoir reads like a novel.

Heda Margolius Kovály's steady gaze at the lives caught up in Czechoslovakia's tragic fate under the Nazis and then during the Stalin era illuminates the chaotic life of a nation. Kovály was deported to concentration camps, escaped from a death march, nearly starved in the post-war years, only to be shattered by her husband's conviction (in the infamous 1952 Slansky trial) and his execution. Resonant with lyricism, this gripping memoir is uplifting even in the midst of horror.

The author, a Jew born in Czechoslovakia, recounts her imprisonment in and escape from Auschwitz, her participation in the Prague uprising, and the death of her husband under Stalin

"A story of the human spirit as its most indomitable... one of the outstanding autobiographies of the century." San Francisco Chronicle "Once in a rare while we read a book that puts the urgencies of our time and ourselves in perspective, making us confront the darker realities of

human nature... Mrs. Kovaly experienced the two supreme horrors of what Hannah Arendt called this terrible century. But her book is not just a personal memoir of inhumanity. In telling her story — simply, without self-pity — she illuminates some general truths of human behavior... Quietly, with cumulative force, it shows us how the totalitarian state feeds on the blindness and the weakness of man." Anthony Lewis, New York Times "A wonderfully expressive writer. Although her approach is above all personal, Kovaly's reflections on her experiences reveal a high degree of insight into politics, individual and institutional behavior, and the formation of attitudes." Christian Science Monitor "A Jew in Czechoslovakia under the Nazis, Kovaly spent the war years in the Lodz ghetto and several concentration camps, losing her family and barely surviving herself. Returning to Prague at the end of the war, she married an old friend, a bright, enthusiastic young Jewish economist named Rudolf Margolius, who saw the country's only hope for the future in the Communist Party. Thereafter, Rudolf became deputy minister for foreign trade. For a time, the Margoliuses lived like royalty, albeit reluctantly, but then, in a replay of the Stalinist purges of the 1930s, Rudolf and others, mostly of Jewish background, were arrested and hung in the infamous Slansky Trial of 1952. Kovaly's memoir of these years that end with her emigration to the West after the Soviet invasion of Czechoslovakia in 1968 are a tragic story told with aplomb, humor and tenderness. The reader alternately laughs and cries as Kovaly describes her mother being sent to death by Dr. Mengele, Czech Communist Party leader Klement Gottwald drunk at a reception, the last sight of her husband, the feverish happiness of the Prague Spring. Highly recommended." Publishers Weekly

In this epic sci-fi adventure for fans of *The Expanse* and *Battlestar Galactica*, five intrepid heroes must unite to save civilization after a long-dormant enemy awakens and strikes a devastating blow — This jarring, engrossing story of a species-wide fight for survival is recommended for all science fiction readers. — Publishers Weekly (starred review) The galaxy was once terrorized by the Sturm, a group of —species purists— intent on destroying any human with genetic or cybernetic enhancements. Fashioning themselves as the one true —Human Republic,— the Sturm cut a bloody swath across the stars, killing billions before finally being defeated and driven into the far reaches of Dark Space. Centuries of peace bred complacency. Everyone believed the Sturm had died out in the Dark. They were wrong. The enemy has returned and, with a brutal and decisive attack, knocks out almost all of humanity's defenses. Now on the brink of annihilation, humankind's only hope is a few brave souls who survived the initial attack: Commander Lucinda Hardy, thrust into uncertain command of the Royal Armadalen Navy's only surviving warship. Booker3, a soldier of Earth, sentenced to die for treason, whose time on death row is cut short when the Sturm attack his prison compound. Princess Alessia, a young royal of the Montanblanc Corporation, forced to flee when her home planet is overrun and her entire family executed. Sephina L'trel, the leader of an outlaw band who must call on all of her criminal skills to resist the invasion. And, finally, Admiral Frazer McLennan, the infamous hero of the first war with the Sturm hundreds of years ago, who hopes to rout his old foes once and for all —or die trying. These five flawed, reluctant heroes must band together to prevail against a relentless enemy and near-impossible odds. For if they fail, the future itself is doomed. —Frenetic action viewed in a black fun-house mirror. —Kirkus Reviews

A searing indictment of the American penal system that finds the roots of the recent prisoner abuse at Abu Ghraib and Guantánamo in the steady dismantling of the Eighth Amendment's prohibition of "cruel and unusual" punishment. The revelations of prisoner abuse and torture at Abu Ghraib and more recently at Guantánamo were shocking to most Americans. And those

Download File PDF Under A Cruel Star A Life In Prague 19411968 English Edition

who condemned the treatment of prisoners abroad have focused on U.S. military procedures and abuses of executive powers in the war on terror, or, more specifically, on the now-famous White House legal counsel memos on the acceptable limits of torture. But in *The Story of Cruel and Unusual*, Colin Dayan argues that anyone who has followed U.S. Supreme Court decisions regarding the Eighth Amendment prohibition of "cruel and unusual" punishment would recognize the prisoners' treatment at Abu Ghraib and Guantánamo as a natural extension of the language of our courts and practices in U.S. prisons. In fact, it was no coincidence that White House legal counsel referred to a series of Supreme Court decisions in the 1980s and 1990s in making its case for torture. Dayan traces the roots of "acceptable" torture to slave codes of the nineteenth century that deeply embedded the dehumanization of the incarcerated in our legal system. Although the Eighth Amendment was interpreted generously during the prisoners' rights movement of the late 1960s and 1970s, this period of judicial concern was an anomaly. Over the last thirty years, Supreme Court decisions have once again dismantled Eighth Amendment protections and rendered such words as "cruel" and "inhuman" meaningless when applied to conditions of confinement and treatment during detention. Prisoners' actual pain and suffering have been explained away in a rhetorical haze—with rationalizations, for example, that measure cruelty not by the pain or suffering inflicted, but by the intent of the person who inflicted it. *The Story of Cruel and Unusual* is a stunningly original work of legal scholarship, and a searing indictment of the U.S. penal system.

A classic account of life under Nazism and Stalinism that will appeal to fans of *Alone in Berlin* and *Stasiland*

Reflections of Prague is the story of how a Czech Jewish family become embroiled in the most tragic and tumultuous episodes of the twentieth century. Through their eyes we see the history of their beloved Prague, a unique European city, and the wider, political forces that tear their lives apart. Their moving story traces the major events, turmoil, oppression and triumphs of Europe through the last hundred years — from the Austro-Hungarian Empire to the First World War; from the vibrant artistic and intellectual life of Prague in the times of Kafka, the Capek Brothers and Masaryk to years of hunger in a Polish ghetto and the concentration camps of Hitler; from the tyrannous rule of Stalin to the rekindled hopes of Dubcek and the subsequent Soviet occupation to liberation under Havel. Told from Ivan's perspective, it is a poignant but uplifting tale that tells of life lived with purpose and conviction, in the face of personal suffering and sacrifice. —A remarkable book. This archetypical story of the twentieth century is intertwined with an almost stream-of-consciousness narrative of the history of the Czechs, of Prague, interspersed with samples of exquisite poetry by great contemporary poets. So the narrative flows like Eliot's sweet Thames full of the debris of tragic lives, of horrors, of moments of beauty and testimonies of love — all against the backdrop of man's inhumanity. —Josef Škvorecký —A poignant and vivid mémoire of a child searching for traces of his father, lost in the murky ideologies of post war Central Europe. An engrossing book. —Sir John Tusa
