### **Postcolonialism - Wikipedia**

A critical analysis of the history, culture, literature and modes of discourse on the Third World countries in Africa, Asia, the Caribbean Islands and South America, postcolonialism concerns itself with the study of the colonization (which began as early as the Renaissance), the decolonization (which involves winning back and reconstituting the native cultures), and the neocolonising process (an aftermath of postmodernism and late capitalism, when multinational corporations control the world).

### **Postcolonialism | Literary Theory and Criticism**

One of the goals of postcolonial writers is to attack this colonial discourse and show it up for what it is: a load of bull. Chew on This. Want to see colonial discourse in action? Have a look at how much fear surrounds a journey into the Congo in Joseph Conrad's *Heart of Darkness*, a late Victorian novel about Europeans going into Africa. Chinua Achebe doesn't like this book very much, because he thinks it shows Africa and Africans in a stereotypical light, though others have argued that ...
