Briana Fox is the wildest girl in school. She and Kyle have been close for a long time...almost lovers. Kyle is afraid that if he pushes her, he'll have his heart broken and lose his best friend. When Briana discovers a mysterious power drug in a cave, two government agents are desperate to find the source and turn Briana into a human experiment. Will Kyle risk everything to protect his love?

Briana is the wildest girl in school. When she challenges Kyle, her best friend, to a dangerous swim across the lake, she discovers an underground spring that contains a magical substance: the "green water." The mysterious, glowing liquid heals any physical wound, triggers a heightened sense of awareness, and evokes superhuman abilities. But there is a catch: once you drink the green water, you are addicted forever. When ruthless government agents learn of its existence, Kyle and Briana are thrown on extraordinary adventure that takes them far beyond their imaginations. Readers of all ages will enjoy this gripping, fast-paced series. "Worth a serious read...incredibly gripping and heartwarming." - Halinor Everdeen Cipriano, Assortments "A fast, suspenseful thriller with an ending I never saw coming." - Jessica Willis, The Tales Compendium "Very exciting and gripping, leaves you wanting more." - Becky's Barmy Book Blog "If anything, you should read it for the unique ending." - Rachel's Book Reviews "You should give it a try. It's really different and interesting." - Brielle, Awesome Bookworm

14 year old Stephen soon finds himself in love with Kristine, one of the prettiest girls in his class. Kristine appears to like him, too, but Stephen learns she belongs to a big, mean football player who's three years older. Despite warnings from his best friend, Stephen moves ahead anyway. Will Stephen allow himself to be shoved into the background, or will he win the girl he truly loves?

To Live in the Present, Let Go of the Past! Stop Being a Victim! Take Control of Your Life! Carol finds herself drawn to controlling, selfish men. She marries her college sweetheart, and her world spirals downward from there. Carol McKibben paints a picture of a women who has always allowed herself to be a victim, blaming others for her circumstances until one near-fatal night gives her the strength to take control of her own life...

(FAQ). Michael Jackson may be the King of Pop, but his influence extends much further. From his childhood years with the Jackson 5 through his astonishing solo career, he consistently broke sales records, pioneered the modern music video, and infused dance into rock and pop. While his life story has been well chronicled, Michael Jackson FAQ explores the stories behind his achievements. Did he play any instruments? How much of his own music did he compose? Who were his greatest influences in both music and dance? His art is his legacy, and Michael Jackson FAQ takes an in-depth look at Jackson's work with the Jackson 5 and the Jacksons in addition to his solo catalog. Learn why current artists such as Justin Timberlake, Lady Gaga, Justin Bieber, and countless boy bands still emulate his sound, look, and showmanship. Questions are tackled such as whether Off the Wall or Thriller better stands the test of time. From his childhood in Gary, Indiana, through the posthumous albums, this book covers lesser-known but important stories such as how Jackson influenced disco and hip-hop, how his singing style transitioned from childhood to adulthood, and how he learned to moonwalk.

Striking illustrations and a popular graphic novel format bring to life this anthology of literary legends and their childhoods. Profiling such authors as Maya Angelou, C.S. Lewis, Gene Luen Yang, and J.K. Rowling, these stories capture the childhood triumphs, failures, and inspirations that predated their careers. Full color.

On the night of Sunday, April 23, 1961 Judy Garland made history. That's no hyperbole. Surrounded by a throng of ecstatic fans (3,165 to be exact), the legendary performer delivered a concert in Carnegie Hall the live recording of which became, upon release, an unlikely pop cultural phenomenon. Judy at Carnegie Hall, the two-disc set that captured all 25 numbers she performed that night, went on to spend more than 70 weeks on the Billboard charts, win four Grammy Awards—including Album of the Year (making it the first live music album and the first album by a female performer to win the category)—and become, in the process, the fastest-selling two-disc set in history. What the recording highlights, and what's made it an enduring classic in a class of its own, is the palpable connection between the songstress and her fans. "Indeed," The New York Times reported in its review of the evening's proceedings, "what actually was to have been a concert--and was--also turned into something not too remote from a revival meeting." By looking at her song choices, her stage banter, the album's cultural impact, and her place in the gay pantheon, this book argues that Judy's palpable connection with her fans is precisely what her Capitol Records' two-disc album captured.

Melvin Burgess has made a powerful name for himself in the world of children's and young adult literature, emerging in the 1990s as the author of over twenty critically acclaimed novels. This collection of original essays by a team of established and new scholars introduces readers to the key debates surrounding Burgess's most challenging work, including controversial young adult novels Junk and Doing It. Covering a variety of critical and theoretical perspectives, the volume also presents exciting new readings of some of his less familiar fiction for children, and features an interview with the author.

A boy halts a complicated, wild chase when he discovers that there really is no reason for the participants to be afraid and run away
